LPISD Academy – Forensic Science – Outreach Learning
April 6 –10, 2020

Grades: *10-12* **- Week of** *April 6th*	
Teacher/Team: vinklarekb@lpisd.org Link to: Teams 4th	**Students:** For the week of April 6th you need to read through slides 31-43 in the ppt: Fingerprints. There is handout that goes with the ppt. Answer the handout questions then submit. There is an additional ppt. Fingerprint Matching Activity. It is an assignment. You can answer questions within the ppt. then submit. It will be in the "Assignments" link, not in "Class Materials". Make sure you look at the "Read This" document. I will include more detailed instructions and any revisions to content.

Objectives

Objective / I Can:

- To identify the unique characteristics of fingerprints
- How are fingerprints used by law enforcement
