[TEAMS IPC 7th](#)

Students:

This week we will continue with gravity. There are two handouts with embedded links. Watch the videos and answer the questions for each. The handouts are Word Doc and will be posted under “Assignments”. Be sure to submit them after you are finished.

Make sure you look at the “Read This” document. I will include more detailed instructions and any revisions to content.

Objectives

Objective / I Can:

- Review meaning of and how to calculate force, mass & acceleration
- Review meaning of and how to calculate momentum, mass & velocity (speed)

Activities

Student Activities: (Resources, videos for students to use.)

Go to [Teams Folder](#). Look for the assignment:

1. Handout: Crash Course - Gravity
2. Handout: Brian Greene Explains

Academic/Instructional Support

Schedule:

Office Hours

Teacher Support - TEAMS

Submit questions through TEAMS “posts” or teacher email.

8:00 am-12:00 noon

LPISD Academy – IPC – Outreach Learning

April 6 – 10, 2020
