Dear Academy Students,

I hope your first week with our Outreach Learning was a successful one. I really enjoyed reading your Spring Break Reflections and the videos were enlightening and entertaining. I look forward to conversations we will have this week.

I would like to meet as a class Thursday; I will send out invitations. This will be a great opportunity to see each other for a little bit.

We can also schedule personal conferences if the class time does not work for you.

For the next two weeks, we are going to look at some poetry.

There are two paths to choose from:

Computer Learning (documents/assignments are labeled CL at the end)

Project Based (documents/assignments are labeled PB at the end)

Have a great week!
